## **St. Paul The Apostle Catholic School**

St. Paul The Apostle Catholic School is a pre-Kindergarten through Grade 5 Catholic Elementary under the Diocese of Charleston Schools Office.

The curriculum stresses academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers as well as the teacher. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At St. Paul School, we are attempting to "teach as Jesus did."

The Diocesan curriculum guidelines, consistent with the State of South Carolina guidelines are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools and a multi-text approach to the content areas.

### **History**

Saint Paul the Apostle Catholic School was founded in September 1941 by five sisters of Saint Francis. Saint Francis was an order established in 1845, Philadelphia, Pennsylvania, to provide teachers for parochial schools. These dedicated sisters served the school until 1993.

### **Mission Statement of St. Paul The Apostle Catholic School**

The mission of St. Paul the Apostle Catholic School is to provide a faith-based environment in which each child is educated spiritually, academically, physically, and socially.

### **Philosophy**

St. Paul The Apostle Catholic School endorses the call of the Catholic Bishops of the United States to express its educational ministry through the objectives of personal spirituality, social justice, and a strong academic program in accord with the Curriculum Guide for Catholic Schools in the Diocese of Charleston.

1. To develop the total Christian personality by instilling in the students a respect for life and reverence for Christian living.
2. To develop within the school a strong religious education program based on Catholic Theology, Scripture, Liturgical experience, and service so that each child will grow and develop in the Christian way of life.
3. To facilitate the intellectual, social, and physical development of each child through a variety of instructional methods such as small and large group instruction, departmental classes, and other tools for basic knowledge and formation.
4. To aid students in evaluation of their own capabilities and vocational possibilities.

It is the consensus of the faculty that every human being has a right to pursue knowledge corresponding with his/her dignity and God-given ability, regardless of background or sex. In the early years, education is often of the utmost importance because through education and guidance the children of today become the Catholic citizens of tomorrow.

## **OBJECTIVES**

## Absence

**When a student is absent from school, a parent must call or email the office by or 10:00 AM each day of the absence.** If the office does not receive a call, a parent will be contacted. This policy is for the protection of the St. Paul the Apostle Catholic School and is aligned with the state statutes of the state of South Carolina.

**Students should be fever free without fever reducing medication for 48 hours before returning to school.** Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 2 day protection of the entire school community.

A written statement giving reasons for the absence or tardiness **must** be brought to the student's teacher upon the student's return. These notes/letters will be retained in the office for one year. Please avoid writing the absence note on a napkin or a receipt. Should absence for any reason other than illness seem imperative, parents are requested to consult with the Principal and present a written reason for the absence.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent for **three or more days due to illness**, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:00 PM – 3:30 PM.

For short absences, students may receive missed assignments from their teacher when they return to school.

**Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignment will be given in anticipation of the vacation.** (See also *Homework due to vacations/planned absences.*)

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date. Due to the educational advantage of

returning graded tests to students in a timely manner, some missed tests may not be made up.

**Excessive absence (40) days or the equivalent of 40 days including tardies**, can be cause for a student to be retained in the current grade for another year.

### **Absence During the School Day**

Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must be signed back into school in the office. Students who are away from school for an appointment for 3 ½ hours or more will be counted as absent for ½ a day. Three (3) early withdrawals each of which are less than 3 ½ hours are considered a one-half day absence. Due to compulsory attendance requirements, excessive tardies may result in a student needing to be retained and to repeat the school year.

### **Academic Information**

#### ***Curriculum***

Classes at St. Paul the Apostle Catholic School are designed to meet the students' academic needs. The major subjects included in the curriculum are: Religion, Reading, Spelling, English, Mathematics, Science, Social Studies, Art, Computer Science, Handwriting, Physical Education, Music, Library, and Spanish. #### **Academic Probation**

A student whose academic performance indicates serious deficiencies may be placed on academic probation. Academic probation is for students who **can** learn, but who choose **not** to learn. Students on academic probation will be placed on a two week improvement plan. At the end of the two week period, the student's academic progress will be assessed. At the end of the academic probation period, a student who has made no effort toward improvement may be involuntarily separated from the school. No tuition will be refunded if a student is involuntarily separated and the parents will be responsible for the remainder of the tuition based on the Financial Obligations policy.

4. **Other household members in quarantine**: If the student or staff lives in the same household as someone in quarantine, they will not necessarily need to quarantine themselves unless the household member in quarantine is then determined to be a COVID-19 case. DHEC will notify those who are required to complete quarantine.

### **Crisis Plan**

St. Paul The Apostle Catholic School has implemented a “crisis plan” in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building will be evacuated and students will be moved to secure designated locations.

## **Custodial Rights**

It is the responsibility of the parents to share any official custodial information decided through the courts. Official custodial agreements will be kept in a confidential file in the office of the principal. In the absence of any court document, the school will view each parent as having full legal custody of his/her child. In the absence of a court order to the contrary, non-custodial parents have the right to receive records about their child's academic progress or lack thereof. The school reserves the right to charge a shipping and processing fee for extra records sent to more than one home address. It is a great benefit to the child to have both parents involved in his/her education.

## **Discipline**

An important aim of Catholic education is the Christian development of the person. Discipline is necessary for this development. It is important that students learn to get along with others and to respect one another. Students are expected to conduct themselves in a manner that does not interfere with the rights, privileges, and/or safety of others.

The ideal of discipline is to enable students to move from externally imposed discipline to self-discipline. Self-discipline is an indication that one is capable of accepting responsibilities and privileges. The immediate goal of discipline is to create a favorable atmosphere for learning. Students are expected to demonstrate good habits, such as courtesy, respect, kindness, helpfulness, cooperation, and responsibility, as well as good study habits. This policy/expectation is to be followed for all school events/activities/field trips.

### **DISCIPLINARY ACTION PROCESS**

Teachers and teacher assistants will establish and monitor classroom/area rules and awards/rewards with the children. A copy of these rules will be posted in the given area or classroom. Teachers/Assistants and students will periodically review these guidelines. During the first week of school each teacher will send home a letter stating their classroom expectations. School wide consequences will be one or more of the following:

**FIRST OFFENSE**: Warning to the student. The child is not obeying the school rules. The teacher/assistant verbally warns the student of the rule he/she is breaking.

**SECOND OFFENSE**: Student/Teacher conference. The teacher meets with the student in a conference setting. A documentation of the facts discussed and the outcome is maintained by the teacher which gives the date of conference. Parents should be notified and the Principal copied.

**THIRD OFFENSE**: Suspension of privileges by the teacher. A written communication including the action, date, and summary is sent home via RenWeb to inform the parent and copied to the Principal.

**FOURTH OFFENSE**: Call or conference with the parent. The teacher will contact the parent by phone or request a conference. This should also be documented, including the date of the conference, and a summary of the conference.

**FIFTH OFFENSE**: Office visit. The student will be sent to the office and the parents will be called in.

Students who cause severe or consistent disruptions will be sent immediately to the office.

### ***Suspension***

Students who receive an out-of-school suspension will not be allowed on campus during the time of their suspension. Students must complete all class work and tests from the days of suspension but failing grades will be recorded for this work.

### ***Expulsion***

Expulsion is an extremely serious matter. Students who pose a threat to themselves or to others may be expelled from St. Paul The Apostle Catholic School. Students who have been expelled will not be allowed to return to the school for any reason without prior permission from the Principal.

Students whose parents have violated the Parents as Partners agreement in this handbook may also be excluded from St. Paul The Apostle Catholic School.

### **Drugs and Alcohol**

Students who possess drugs and/or alcohol at school or at any school function face suspension and/or expulsion.

2. Follow all directions given by teacher/principal.
3. Walk quietly to the Parish Church.
4. Return to building when signal is given.

### **Emergency Forms**

Each year parents/guardians must complete a current Emergency Form. This form will include the names of three individuals who are authorized to pick up students at dismissal or due to an emergency. In addition to the custodial parents, students will only be released to the individuals named on this form. Parents are to update this form with current contact information should phone numbers, names, etc. change during the year.

### **Emotional Support Animals**

No emotional support animals will be permitted in school unless a student's IEP specifically states the need for such an extraordinary accommodation.

### **ELECTRONIC DEVICES**

No electronic devices are permitted in the school unless permission is granted by the Principal prior to the device appearing at school. This policy includes, but is not limited to: cell phones, cameras, iPods, I pads etc. These devices may NOT be kept in a student's book bag. If there is a need for a student to have a cell phone for after school activities/communication, the parent must make arrangements with the Principal for the phone to be left in the school office during the day. This policy pertains to all school events/activities/field trips.

### **EXPULSION**

The following is quoted from the Diocesan guidelines:

“The reasons justifying expulsion from a school should be as serious as they are rare.

There are two specific situations, which may call for immediate expulsion:

- a. When the moral or physical well-being of the student body or faculty is endangered.
- b. When there is any promotion against religion or faith.”  
Parents will be notified if this action is necessary.

### **Facebook®, Instagram®, and other Social Media Postings of Student Photographs**

St. Paul The Apostle Catholic School works to protect the confidentiality rights of all students. The Family Education Rights and Privacy Act of 1973 (FERPA) and the Child Protection Act of 2012 (CPA) were designed to protect personally identifiable information of minors. St. Paul The Apostle Catholic School adheres to these laws in its attempt to protect the privacy rights of all students. As a result, the parents of students enrolled at St. Paul The Apostle Catholic School are forbidden from posting photographs taken at school sponsored events that include the images of students other than their own on their personal Facebook®, Instagram®, or any social media page. Such postings are a violation of the St. Paul The Apostle Catholic School’s adherence to FERPA and the Child Protection Act. The students of parents who post such photos may be separated from St. Paul The Apostle Catholic School.

### **Field Trips**

1. Field trips are designed to correlate with teaching units and to achieve curricular goals.
2. Field trips are re-evaluated each year to determine the compatibility of the field trip with curricular goals.
3. A field trip is a privilege and not a right.
4. There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
5. All grades do not always have the same number of field trips.

6. Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.
7. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
8. A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted. Permission slips are due in the office forty-eight hours after receipt of the permission slip.
9. This is the only format that may be used to allow a student to leave school during school hours. Call the school for information needed to complete the form. **Note:** a fax does not take the place of an original signature.
10. A **telephone call** will **not** be accepted in lieu of the proper field trip permission slip.
11. Parents may refuse to permit their child from participating in a field trip by stating so on the proper form. Students who do not attend a field trip will remain at home with the parent and will be marked absent for the day.
12. All monies collected for the field trip are **non-refundable**.
13. **Cell phones** are **not allowed** on field trips unless otherwise directed by the teacher and/or administration.
14. Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. St. Paul The Apostle Catholic School risk management insurance company insures the “official” chaperones and participation by unofficial chaperones jeopardizes the protection for our students and all other “official” adults on the trip.
15. **Parents who chaperone a field trip may not bring pre-school or school-age siblings on the field trip.**
16. All chaperones must be 25 years of age or older.

### **FIELD TRIP DRIVERS**

ALL drivers must have a current Safe Haven certificate, safe driver certificate, and background check on file in the school office.

<http://charleston.CMGconnect.org>

Drivers must fill out and turn into the School Office the “Field Trip Questionnaire” along with copies of their current driver’s license, insurance card (which must include the amount of coverage), and current registration card. This form is a requirement of the Diocese of Charleston and must be

completed annually. Drivers will be given an ‘information for Field Trip Drivers’ sheet on the day of the trip.

Drivers should be prepared for the trip gas tank filled before arriving at School. Directions will be given to drivers to get to the destination and to get directly back to the School. No other stops are permitted! If an emergency were to happen, the driver must call the lead teacher who will notify the school. Any parent driver/chaperone making unplanned stops will not be permitted to drive on any other school field trips. Any parent drivers/chaperones who decide not to return to the school at the end of a field trip must sign their child/student out from the teacher’s supervision. Parent drivers/chaperones leaving the field trip will not be permitted to take any other students without written permission from the parent.

### **Gifts**

Students should not exchange individual gifts at school. This gesture only creates hurt feelings among other students.

Invitations for slumber parties or birthday parties should be sent to the homes of students via the U.S. Mail unless an invitation is being given to every student in the entire grade.

### **Grading Scale**

The following grading scale will be used in grades 1-5:

A+ = 99-100	C+ = 84
A = 94- 98	C = 78-83
A- = 93	C- = 77
B+ = 92	D = 70-76
B = 86-91	F = Below 70
B- = 85	

### **GRIEVANCE PROCEDURE**

If you have a question or a problem concerning your child, you are required to adhere to the following procedures:

Step 1. Request a conference with the teacher. If the results of this conference do not meet with your satisfaction proceed to Step Two.

Step 2. Request a conference with the administration and teacher. If the results of this conference do not meet with your satisfaction proceed to Step Three.

Step 3. Request a conference with the administration. If the results of this conference do not meet with your satisfaction proceed to Step Four.

Step 4. Request a conference with the teacher, administration, and pastor. This conference will be arranged through the administration.

The administration will not meet with a parent until the parent has met with the teacher.

The administration will not meet with a group of parents who wish to register a complaint in force. The pastor will not meet with parents unless the appointment is made from the administration of the school. At that time, a conference will be scheduled with the teacher, administration, pastor, and parents.

Parents are urged to discuss grievances through proper channels and to avoid gossiping and complaining without going through these steps. This talk hurts the school we are trying to build up and teaches our children un-Christian habits.

### **Gum**

Students should not chew gum at school at any time that they are on school/parish property. This includes before school, during school, and after school. Disciplinary action will occur for students who are chewing gum during the course of the school day or during morning or afternoon carpool.

### **Harassment**

Harassment of any type is not tolerated. The Principal investigates all complaints of harassment. Students involved in harassing behavior face detention, suspension, and/or expulsion.

### **Home-School Communication**

In order to insure that all communication from school reaches home in a timely manner, St. Paul The Apostle uses a Family Folder. Official envelopes containing all correspondence are sent home on Mondays and should be returned the following school day. Your child is responsible for

emptying the contents of his/her envelope when it is returned to their homeroom. There is a \$2.00 replacement charge for envelopes that are lost. Information is not sent home if the Family folder has not been returned. Official school-wide emergency communications are sent using the Parent Web phone system. Parents/guardians are also encouraged to check email on a regular basis. Email can be used as a very efficient tool for parents to communicate with the school. However, all email communication should follow email etiquette. Challenging or confidential issues should be shared through face to face communication in lieu of email. Only communicate with teachers using the St. Paul email.

### **Homework**

Formal home-study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for certain lessons through various experiences.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment.

The purpose of homework assignments is to foster good study habits, to reinforce learning, and to prepare for the next day's classes. If the student has been absent or has missed a class for any reason, that student must see the teacher to obtain the work missed. In grades 4-5 it is the student's responsibility to complete all assignments missed. In grades K4-3 parents should make sure that student work is made up.

In general, assignments will vary in length of time according to subject and grade level of the individual student. Long term, individualized assignments, and book reports generally will be assigned with a specific due date which will give students the opportunity to budget their time in relation to their routine assignments and activities. Homework is expected to be complete on the day it is due. Please send a written note if a family emergency arises and homework is not completed. Late homework will receive a lesser grade.

Diocesan policy recommends the following homework time allotments.

Grades: K4-K5	15 minutes (It is essential that you read with your child each night.)
Grades: 1-3	30-45 minutes

Grades: 4-5

45-90 minutes

Keep in mind that studying and/or reading is considered an assignment. Written homework assignments will not be given in K4 through 5<sup>th</sup> grade on the evenings of PTO functions or other school wide activities.

### **Homework due to Vacations/Planned Absences**

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

**Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignment will be given in anticipation of the vacation.** There will be no exceptions to this policy. Please do not ask the teacher to make an exception or offer payment for homework given in advance of an absence.

### **Homework Policy Due to Illness**

When a student is **absent for three or more days**, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:00 PM – 3:30 PM.

For **short absences**, students should make arrangements with classmates regarding assignments. Students may also, receive missed assignments from their teacher when they return to school.

Students will be allowed one day for each day of absence due to illness. For example, a student who was absent three days should be given three school days to complete the missed work.

### **Immunizations**

All students enrolled in St. Paul The Apostle Catholic School must have current immunizations. The Diocese of Charleston does not recognize religious exemptions.

Parents are to be advised that many items are *placed* in the *Lost and Left* by the student when the student would like a different item. Parents are encouraged to look for their child's item in the Lost and Left box.

## *Lunch Program*

St. Paul The Apostle Catholic School offers a hot lunch program from local restaurants daily. Menu choices will be sent home each month. These lunches will be billed in FACTS students may choose to bring their lunch each day. Students should not bring glass bottles, soft drinks or excessive amounts of candy. **Parents should not bring lunches or drinks from carry-out restaurants.** Parents should refrain from bringing forgotten lunches to school. This creates a disruption to the learning process as class time is lost when a student is called out of class. Any student forgetting a sack lunch, will be provided a lunch. Reimbursement for the lunch must be made the next day.

Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and cooperation with lunch monitors are in order at all times.

### **Parent's Role in Education**

We, at St. Paul The Apostle Catholic School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of St. Paul The Apostle Catholic School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

**Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others.** Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at St. Paul The Apostle Catholic School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 5), your child needs constant support from both parents and faculty to develop his/her moral, intellectual, social,

cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. **To divide authority between school and home or within the home will only teach disrespect of all authority.** If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships. **Speaking negatively about a child's teacher at home will only create an attitude of distrust toward the teacher, the school, and the parent.**

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned (student grades are earned not given by teachers) and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. Parents are encouraged to let their child experience a logical consequence for an inappropriate action or behavior. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the person God created them to be.

### **Parent Teacher Organization**

St. Paul The Apostle Catholic School Parent Teacher Organization works to support and enhance the educational ministry of the school. Fund-raising, parent education, and building community are goals of this organization.

## **Parties**

Students are permitted three class parties a year: Halloween Party, Christmas, and Valentine. Room parents may assist the classroom teacher with these three parties. We request that treats be already prepared into individual servings and include ingredient labeling.

## **Promotion Policy/Retention/Transfer Policy**

Advancement to the next grade in St. Paul The Apostle Catholic School is based on a student's daily performance, test results, recommendations of teachers, and the student's ability to complete work successfully on a more advanced level.

Promotion to the next grade depends on successful completion of all subject areas. The Administration may recommend the repetition of a grade, tutoring, or summer school classes as requirement for promotion when, after conferences with teachers and parents, it is believed that such action will better prepare the student academically or emotionally for the next grade.

## **Report Cards/Progress Reports**

**Report Cards** are important tools for communication. Report Cards will be given four (4) times during the academic school year or every nine (9) weeks.

**Progress Reports** will be given mid-way between each nine-week grading period. This will start the 2<sup>nd</sup> quarter.

No student will be given a Report Card if tuition, lunch fees, or After School Care Program fees are in arrears.

## **Returning to School After Dismissal**

Students are not permitted to return to the school building after the 3:00 PM dismissal unless accompanied by a teacher. This policy is designed for the protection of your child in addition to helping your child to become more organized and personally responsible.

## **Sacramental Program**

The sacramental life of the children of the Catholic tradition is an important component of the religion program at St. Paul The Apostle Catholic School. Preparations for three sacraments, Reconciliation and Eucharist, form the core of instruction in Grade 2 and. In accordance with the diocesan guidelines, candidates for First Eucharist will receive the sacrament of Reconciliation prior to First Eucharist.

Parents are required to be active partners in the preparation of their children for these sacraments. The sacraments of Reconciliation and Eucharist are only conferred to students baptized in the Roman Catholic tradition.

## **School Hours**

Grades Pre-K through 5: 7:50 AM -2:50 PM. Students not in their homeroom at 7:50 AM are considered tardy.

At St. Paul The Apostle Catholic School, we work in partnership with parents to enable each child to develop as an independent learner. Parents should allow their child(ren) to enter the school building on their own each morning. Various classes invite parent involvement or visitation on particular occasions.

The school doors are open for students at 7:30 AM. Morning prayer is 8:00 AM.

Prayer and afternoon announcements begin at 2:45 PM each day. Dismissal immediately follows. Please check the school calendar and weekly newsletter for early dismissal dates.

School offers an After School Care Program. Students who are enrolled in the program must pay a \$20.00 or \$30.00 per family deposit at the time of registration. A fee of \$1.00 per minute is charged for students remaining in the program after 6:00 PM. Please refer to the 2021-2022 Extended Care Handbook for a complete list of policies.

Three (3) tardies or three (3) early withdrawals are considered a one-half day absence. Excessive tardies will have a direct impact on a student's academic evaluation and promotion to the next grade. Due to compulsory attendance requirements, excessive tardies may result in a student needing to be retained and to repeat the school year.

Students not picked up by the end of carpool (approximately 3:15 PM) will be sent immediately to the After School Care Program. Parents are charged the daily per child rate of \$15.00 for using this program.

### **School Office Hours**

The student will pay a fine or replacement for damaged or lost texts before any final reports, transcripts, or diplomas are presented.

### **School Safety**

To the extent that modern technology provides tools to maintain safety and security, the use of video surveillance cameras may be in place in the school and on school property.

Cameras will not be permitted in areas where there is a reasonable expectation of privacy.

### **Technology Concerns**

**Apple® Watches** – Students are not permitted to wear Apple® Watches to school.

**Blogs:** Engagement in online blogs such as, but not limited to Facebook®, Instagram®, Snapchat®, etc. may result in disciplinary actions (including expulsion) if the content of the student's or parent's blog includes defamatory comments regarding the school, the faculty, other students or the parish. Parents should refrain from creating a class/grade Facebook®, Instagram®, Snapchat® page without the written authorization of the principal. Negative or defamatory comments about the school, the faculty, other students, or the parish made on a parent's social media page may result in the children of the parent being separated from the school. If a student is involuntarily separated from the school, there will be no reimbursement for tuition and/or fees.

**Cell Phones:** If a student needs a cell phone after school due to walking home from school, entering a house where no one is home, or attending sport practices or games, he/she should bring the cell phone to the office upon arrival in the morning to park the cell phone in the off position for the day. The cell phone may be picked up by the student at dismissal. At no time during the day should a cell phone be in a student's locker or in his/her possession. **Items taken away from students will be returned to the parent(s)/guardian(s) on the last day of the school year.** The administration reserves the right to search the contents of a confiscated cell phone.

### **Facebook®, Instagram®, and other Social Media Postings of Student Photographs**

St. Paul The Apostle Catholic School works to protect the confidentiality rights of all students. The Family Education Rights and Privacy Act of 1973 (FERPA) and the Child Protection Act of 2012 (CPA) were designed to protect personally identifiable information of minors. St. Paul The Apostle Catholic School adheres to these laws in its attempt to protect the privacy

rights of all students. As a result, the parents of students enrolled at St. Paul The Apostle Catholic School are forbidden from posting photographs taken at school sponsored events that include the images of students other than their own on their personal Facebook®, Instagram®, or any social media page. Such postings are a violation of the St. Paul's adherence to FERPA and the Child Protection Act. The students of parents who post such photos may be separated from St. Paul the Apostle Catholic School.

**Instagram®:** Photos and captions on a student or parent's Instagram® account that depict the school, the faculty, other students, other parents, or the parish in a defamatory way may result in disciplinary action.

**Sexting:** Students involved in possession or transmission of inappropriate photos on their cell phones or other electronic devices face suspension and/or expulsion. In accordance with the law, the Spartanburg Police Department will be notified.

**Texting:** Students should at no time be involved in texting during the course of the school day. Students involved in texting at school face detention, suspension and/or expulsion.

**Virtual Reality Sites:** Virtual Reality Sites such as, but not limited to, [www.there.com](http://www.there.com)® and [www.secondlife.com](http://www.secondlife.com)®, etc. pose a developmental and moral risk to the life of a student. Parents are cautioned to be aware of the online sites visited by their children, knowing that often predators are not living in a neighborhood, but within the home via a computer. Students or parents whose avatars depict other students, teachers, or parish staff in a defamatory light face detention, suspension, or expulsion.

### **Telephone**

Permission to use the telephone must be obtained from the school secretary. Students must submit a note from their teacher. The office phone is a business phone and students are permitted to use it only in case of an emergency. The telephone in a teacher's office is for the use of the teacher only. Forgotten homework, athletic equipment, etc. do not constitute emergencies. Arrangements for after-school visits with friends should be made at home. Students should NEVER use the teacher's cell phone to make a telephone call.

### **Testing**

Students will not be permitted to retake a quiz or a test in order to improve their academic standing.

### **Title IX**

St. Paul The Apostle Catholic School adheres to the tenets of Title IX: “No person in the United States shall, on the basis of sex, be excluded from participating in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

### **Uniforms and Dress Code**

All students in grades K4 through fifth are required to wear complete uniforms on all school days beginning the first day of school. The uniform should fit properly, be neat, and is to be kept clean. Students are expected to take pride in themselves and to maintain a neat appearance with shirts tucked in, belts worn, and shoes tied.

All clothing, book bags, lunch boxes/bags, etc. are to be labeled with the student's name. Items without names will be placed in Lost and Found for a period of time and will then be given away.

Students are permitted to wear outer winter coats, raincoats, and windbreakers, but they are to be removed upon entering the classroom. If a student requires extra clothing to keep warm in the classroom, they are permitted to wear the uniform navy blue front zip hoodie. If the weather is cold, students who do not wear an outer coat will not be permitted to go out to recess.

Dates will be set by the school for switching from summer to winter uniforms and back. If the weather precedes the change, if cold weather comes before we switch to winter uniforms, parents are encouraged to use common sense in dressing their children appropriately.

Any student not in compliance with the dress code will be sent to the principal's office, and parents will be contacted to either bring the appropriate uniform to school or to take the student home.
